**USHA International** Usha International is a leading consumer durables company and amongst India's most trusted brands. Founded in 1936 by Lala Shri Ram as a sewing machines company, it has grown and evolved and today offers a diversified portfolio of products including fans, kitchen and home appliances, heating and cooling water solutions, and lights. Built over across nine decades, the legacy brand has kept pace with the new realities and offers products aligned to the modern consumer need and is firmly entrenched in the Indian consumer eco-system both in the online and offline space.

With its headquarters in Gurgaon, 16 location offices, 50+ company showrooms, 30+ warehouses, and 320+ service centres and an in-house customer call centre ensuring its customers get a quick resolution to any issues they may face, Usha embodies the spirit of customer-centricity. Usha exports its products to various countries across the globe and also has overseas offices in China and Sri Lanka. For more information please visit [www.usha.com](http://www.usha.com)
